**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep the internet accessible to all of us. Broadband is critical to our home for two students living there, and two adults who often work from home. We currently have a fiber connection but were previously using DSL. Sonic is our ISP and we need to be able to have a choice of vendors. For these reason we oppose the USTelecom petition.
